MEMORANDUM TO: Chief of ICAPS

SUBJECT : Reorganization of ICAPS

1. Shortly after my assignment to the Central Intelligence Agency, consideration was given to a proposal for the reorganization of ICAPS. A letter of notification to the IAB members was prepared but not forwarded. (Attached hereto.)

2. After serving as a member of ICAPS during the past year, it seems to me that the functions listed therein are more realistic with respect to existing requirements for inter-departmental coordination than the functions presently assigned to ICAPS.

3. It is recommended that consideration be given to approving the plan as proposed, and acceptance of the functions, with minor changes, such as adding the Joint Staff to paragraph 5, b (1), and changing CIG to CIA in paragraph 5, b (3).
